III. Reasons for the Change in Results

The increase in the estimated results for the first three quarters in 2014 of Weichai Power Co., Ltd. (hereinafter referred to as the “Company”) is primarily affected by the following factors:

KION Group AG (hereinafter referred to as “KION”), a company listed on Frankfurt Stock Exchange in Germany, has been accounted for and consolidated into the consolidated financial statements of the Company as a subsidiary (hereinafter referred to as the “Consolidation”) (please refer to the announcement published on 巨潮资讯网(Ju Chao Information Web) (<http://www.cninfo.com.cn>) on 13 June 2014 regarding this Consolidation). Pursuant to the requirements under the “Accounting Standards for Business Enterprises No. 20 – Business Combinations” (《企業會計準則第20 號—企業合併》) and “Accounting Standards for Business Enterprises No. 33 – Consolidated Financial Statements” (《企業會計準則第 33號-合併財務報表》), during the course of consolidating financial statements, the interest in KION as an acquiree prior to the date of acquisition is re-measured as the fair value as at the

date of acquisition, and the difference between fair value and carrying amount is accounted as investment income of the Company for the current period. Meanwhile, other comprehensive income related to such KION shares will also be accounted for as an investment income of the Company. Upon completion of the aforesaid consolidation, net profit attributable to shareholders of the Company has increased. Such matter has been fully disclosed in the interim report of the Company.
