√ Applicable □ N/A

The commitment	Commitments by	Type of commitment	Contents of commitments	Time of commitments	Period of commitments	Implementation situation
Other commitments to medium and minority shareholders of the Company	Shaanxi Automotive Group Co., Ltd., Shaanxi Heavy-duty Motor Company Limited	Other commitments	<p>I. Issues relating to the qualification of Shaanxi Zhongqi:</p> <p>1. The business scope of Shaanxi Zhongqi covers the production and sale of full-set automobiles ("Sale and export trade (licensed operation) of automobiles (excluding sedans), auto parts and components and engines produced by the company" as stated in its Business Licence of Corporate Legal Person). According to the announcement of "Vehicle Manufacturers and Products" made by the State Development and Reform Commission (the "SDRC"), Shaanxi Automotive Group Co., Ltd. ("Shaanxi Automotive"), the other shareholder of Shaanxi Zhongqi, remained as the manufacturer of the "Shaan-qi" branded automobiles.</p> <p>2. In establishing Shaanxi Zhongqi jointly with TAGC, the contribution from Shaanxi Automotive was represented by the operating assets relating to the operation of heavy-duty automobile production, whereas the corresponding undertakings and human resources were taken over by Shaanxi Zhongqi. Whilst the qualification of Shaanxi Automotive for producing and selling heavy-duty full-set automobile products shall be succeeded by Shaanxi Zhongqi, the formalities for the change of qualification have not been completed under the influence of the "Delong-league" crisis and other factors. Shaanxi Automotive has committed to cooperate in procuring the change of qualification as mentioned above according to the law.</p> <p>II. Issues relating to land lease:</p> <p>1. Shaanxi Zhongqi leased from Shaanxi Automotive land parcels and buildings located in No. 39 and No. 71 of Xingfu Bei Road in Xincheng District, Xi'an City and Caojia Town in Qishan County.</p>	9 April 2007	Before 30 June 2007	Implementation of commitments was not yet completed.

			<p>2. Shaanxi Automotive failed to provide the relevant title documents including property ownership certificates, land use certificates or leasing registration certificates, etc..</p> <p>3. Shaanxi Automotive and Shaanxi Zhongqi undertook that they shall fully negotiate and communicate with local governments to seek elimination of the irregularities existing in the leased land and properties, within the shortest possible timeframe. Where losses are suffered by Shaanxi Zhongqi in this regard, Shaanxi Automotive shall be responsible for its full compensation.</p>			
	Shaanxi Fast Gear Co., Ltd.	Other commitments	<p>1. Shaanxi Fast Gear Co., Ltd., or SFGC, a subsidiary controlled by the Company leased from Shaanxi Auto Gear General Works (currently named Shaanxi Fast Gear Automotive Transmission Co., Ltd., and hereinafter "Fast Transmission") two parcels of land located in Daqing Road, Lianhu District, Xi'an City and Wu Zhang Yuan Town in Qishan County and Shucang Village in Baoji County, both in Shaanxi Province. The aforesaid two parcels of land were acquired by Fast Transmission by way of allocation, but Fast Transmission failed to provide competent government authorities with documents testifying agreed leasing of the land use rights concerning such allocated land.</p> <p>2. SFGC leased from Fast Transmission buildings located in the west section of Daqing Road, Lianhu District, Xi'an City and Wu Zhang Yuan Town in Qishan County and Shucang Village in Baoji County. For some of the buildings, title documents including property ownership certificates, corresponding land use right certificates and leasing registration, etc. have not yet been obtained.</p> <p>3. Fast Transmission and SFGC undertook to fully negotiate and communicate with the local governments to seek lawful and effective regulations or adjustments to the leasing of land and properties within one year and seek elimination of the existing circumstances of irregularities in respect of the leasing of land parcels and properties.</p>	1 December 2006	One year	Implementation of commitments was not yet completed.
	Weichai Power Co., Ltd.	Other commitments	<p>During the merger by absorption with TAGC, Weichai Power built some properties on a parcel of land acquired by way of land grant, allocation and leasing which is to the west of Weizhou Road and to the south of Min Sheng Road East Street by Weifang Diesel Engine Factory (currently named Weichai Group Holdings, and hereinafter "Weichai Group"). Application has been made by Weichai Power for the grant (transfer) of six parcels of land under Weichai Group where the aforesaid buildings are located, to obtain the land use rights by way of land grant to the aforesaid land parcels.</p>	1 December 2006	One year	Implementation of commitments was not yet completed.

Whether the commitments have been implemented timely	No
If implementation of commitments is not yet completed, state detailed reasons for not completing implementation of commitments and next plan	<p><b>1. Regarding the commitments made by Shaanxi Automotive Group Co., Ltd. and Shaanxi Heavy-duty Motor Company Limited</b></p> <p>According to the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 9 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局 (2014) 9号行政监管措施决定书》), Shaanxi Automotive Group, through Weichai Power Co., Ltd., issued announcements in designated media on 13 August 2014, stating the reasons for not implementing the commitments, updates on progress, next solutions and relevant risk factors as follows: “I. Since 2007, Shaanxi Automotive has striven to transfer the qualification for producing full-set heavy-duty vehicles to Shaanxi Heavy-duty Motor Company Limited, a controlling subsidiary of Weichai Power. However, in actual practice, due to the change of austerity measures and industry policies of the state, competent authorities including the State Development and Reform Commission and the Ministry of Industry and Information Technology do not permit the segregation and partial transfer of qualification with respect to full-set automobile. As such, the “change of holder of sale and production qualification in respect of full-set heavy-duty vehicle products to Shaanxi Heavy-duty Motor Company Limited, a controlling subsidiary of Weichai Power Co., Ltd.” as stated in the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 92 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局 (2014) 92号行政监管措施决定书》) has not been completed due to the aforesaid policy ground albeit efforts made by various parties. Going forward, the Company will actively trace the changes of state policies applicable to the automobile industry. Once permitted under policies, we commit that transfer of sale and production qualification in respect of full-set heavy-duty vehicles will be completed within half a year. II. Since its establishment in 2002, Shaanxi Heavy-duty Motor Company Limited has undergone rapid and healthy development and fully safeguarded the interests of investors. The qualification issue has never had any impact on the normal operation and development of the company. This management approach has also won recognition from competent state authorities. Shareholders from both sides and relevant regulatory bodies have been satisfied with the operation, development and result of performance of the company. III. The land and buildings located at No. 39 and No. 71 of Xingfu Bei Road in Xincheng District, Xi'an City, Shaanxi Province are listed under the “Comprehensive Renovation Work Plan for the Neighborhood at Xingfu Road (《幸福路地区综合改造工作方案》)” in accordance with the Notice Concerning the Issuance of Comprehensive Renovation Work Plan for the Neighborhood at Xingfu Road (《关于印发幸福路地区综合改造工作方案的通知》) under Shi Zheng Bang Fa No. (2013) 89 issued by the General Office of Xi'an People's Government, requiring enterprises to complete removal by the due date, and the relevant matters shall be implemented according to the government's arrangements. Shaanxi Heavy-duty Motor Company Limited moved to its registered address namely Jingwei Industrial Park, Economic and Technological Development Zone, Xi'an in 2006 and obtained state-owned land use right in respect of land parcels occupying approximately 2,700 mu, satisfying its operation and development needs. Regarding the aforesaid matters, the company will lawfully issue announcement in a timely manner through Weichai Power Co., Ltd.”</p> <p><b>2. Regarding the commitments made by Shaanxi Fast Gear Co. Ltd.</b></p> <p>According to the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 10 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局 (2014) 10号行政监管措施决定书》), Fast Transmission, through Weichai Power Co., Ltd., stated the reasons for not implementing the commitments, updates on progress, next solutions and relevant risk factors as follows: “I. Regarding the regulations on the land and parcels and buildings located in Daqing Road, Lianhu District, Xi'an City and Wu Zhang Yuan Town in Qishan County and Shucang Village in Baoji County, both in Shaanxi Province, which were originally committed by the group for leasing to Shaanxi Fast Gear Co., Ltd., a controlling subsidiary of Weichai Power Co., Ltd., to date, the land use right certificates and property ownership certificates for the buildings located in Wu Zhang Yuan Town in Qishan County and Shucang Village in Baoji County, both in Shaanxi Province have been completed. The land use right certificate for the land parcels in Daqing Road, Lianhu District, Xi'an City has been completed, but the property ownership certificate is on hold as suggested by the government because Lianhu District is located in the zone that has been designated as part of the government's removal area. The factories located in Lianhu District, Xi'an City, Shaanxi Province has been, in accordance with the Notice by Xi'an People's Government Concerning the Administration of the Construction Projects in the Comprehensive Renovation Zone in Tumen Area (《西安市人民政府关于加强土门地区综合改造区域建设项目管理的通告》) under Shi Zheng Gao No. (2013) 4 issued by Xi'an People's Government, the land parcel has been included under the Working Plan of the Comprehensive Renovation of Tumen Area, requiring enterprises to complete removal by the due date, and the relevant matters shall be implemented according to the government's arrangements. The company shall remove on a planned and step-by-step basis and this will not affect the production operation and development of Shaanxi Fast Gear Co. Ltd. II. The group is a wholly state-owned enterprise and its reform and development has been strongly supported by Shaanxi Government and the local government for its region. Its land and properties have been endorsed by the local government and are not subject to risks. The group commits, once again, that it shall bear all losses to be incurred as a result of any failure to normally use/ failure to use those land parcels and buildings by Shaanxi Fast Gear Co. Ltd. which is in turn due to any claim of rights over those land parcels and buildings made by any third parties or imposition of any penalty by the relevant government bodies during the leasing period. Regarding the aforesaid matters, the group will lawfully issue announcement in a timely manner through Weichai Power Co., Ltd.”</p>

**3. Regarding the commitments made by Weichai Power Co., Ltd.**

The 6 parcels of land proposed to be granted have been listed by Weifang People's Government as part of the overall planning for land use under the government's "From City to Industrial Park" initiative, and legal procedures for granting land to Weichai Power will no longer proceed. During the transitional period under the staged implementation of the overall planning of the "From City to Industrial Park" initiative, Weichai Power shall continue to lease those land parcels in the original manner. According to the further communication between the Company and the government, the Company shall implement, by stages, the overall planning of the government's "From City to Industrial Park" initiative.
