## Limited

According to the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 9 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局(2014)9 号行政监 管措施决定书》), Shaanxi Automotive Group, through Weichai Power Co., Ltd., issued announcements in designated media on 13 August 2014, stating the reasons for not implementing the commitments, updates on progress, next solutions and relevant risk factors as follows: "I. Since 2007, Shaanxi Automotive has striven to transfer the qualification for producing fullset heavy-duty vehicles to Shaanxi Heavy-duty Motor Company Limited, a controlling subsidiary of Weichai Power. However, in actual practice, due to the change of austerity measures and industry policies of the state, competent authorities including the State Development and Reform Commission and the Ministry of Industry and Information Technology do not permit the segregation and partial transfer of qualification with respect to full-set automobile. As such, the "change of holder of sale and production qualification in respect of full- set heavy-duty vehicle products to Shaanxi Heavy-duty Motor Company Limited, a controlling subsidiary of Weichai Power Co., Ltd." as stated in the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 92 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局(2014)92 号行政监管措施决定书》) has not been completed due to the aforesaid policy ground albeit efforts made by various parties. Going forward, the Company will actively trace the changes of state policies applicable to the automobile industry. Once permitted under policies, we commit that transfer of sale and production qualification in respect of full-set heavy-duty vehicles will be completed within half a year. II. Since its establishment in 2002, Shaanxi Heavy-duty Motor Company Limited has undergone rapid and healthy development and fully safeguarded the interests of investors. The qualification issue has never had any impact on the normal operation and development of the company. This management approach has also won recognition from competent state authorities. Shareholders from both sides and relevant regulatory bodies have been satisfied with the operation, development and result of performance of the company. III. The land and buildings located at No. 39 and No. 71 of Xingfu Bei Road in Xincheng District, Xi'an City, Shaanxi Province are listed under the "Comprehensive Renovation Work Plan for the Neighborhood at Xingfu Road (《幸福路地区综合改造工作方案》)" in accordance with the Notice Concerning the Issuance of Comprehensive Renovation Work Plan for the Neighborhood at Xingfu Road (《关于印发幸福路地区综合改造工作方案的通 知》) under Shi Zheng Bang Fa No. (2013) 89 issued by the General Office of Xi'an People's Government, requiring enterprises to complete removal by the due date, and the relevant matters shall be implemented according to the government's arrangements. Shaanxi Heavy-duty Motor Company Limited moved to its registered address namely Jingwei Industrial Park, Economic and Technological Development Zone, Xi'an in 2006 and obtained state-owned land use right in respect of land parcels occupying approximately 2,700 mu, satisfying its operation and development needs. Regarding the aforesaid matters, the company will lawfully issue announcement in a timely manner through Weichai Power Co., Ltd."

According to the Decision Concerning the Administrative and Regulatory Measures under No. (2014) 10 issued by Shandong Regulatory Bureau of China Securities Regulatory Commission (《中国证券监督管理委员会山东监管局(2014)10 号行政 监管措施决定书》), Fast Transmission, through Weichai Power Co., Ltd., stated the reasons for not implementing the commitments, updates on progress, next solutions and relevant risk factors as follows: " I. The land use right certificate for the land parcels in Daging Road, Lianhu District, Xi'an City has been completed, but the property ownership certificate is on hold as suggested by the government because Lianhu District is located in the zone that has been designated as part of the government's removal area. The factories located in Lianhu District, Xi'an City, Shaanxi Province has been, in accordance with the Notice by Xi'an People's Government Concerning the Administration of the Construction Projects in the Comprehensive Renovation Zone in Tumen Area(《西安市人民政府关于加强土门地区综合改造区域建设项目管理的通告》) under Shi Zheng Gao No. [2013] 4 issued by Xi'an People's Government, the land parcel has been included under the Working Plan of the Comprehensive Renovation of Tumen Area, requiring enterprises to complete removal by the due date, and the relevant matters shall be implemented according to the government's arrangements.
