- Please indicate clearly the number of H Shares and/or A Shares in the Company registered in your name(s) in respect of which the proxy is so appointed. If no such number is inserted, the proxy will be deemed to be appointed in respect of all the H Shares and/or A Shares in the Company registered in your name(s).
- Please insert full name(s) and address(es) in BLOCK CAPITALS.
- Please delete as appropriate.
- Where the proxy appointed is not the Chairman of the AGM, please cross out "the Chairman of the meeting or", and fill in the name(s) and address(es) of the proxy in the space provided. Each shareholder of the Company entitled to attend and vote at the AGM may appoint one or more proxies to attend and vote at the AGM on his behalf. A proxy need not be a shareholder of the Company. With respect to any shareholder of the Company who has appointed more than one proxy, the proxy holder may only vote on a poll. The person who signs this proxy form shall initial against any alteration in it.
- Important: if you wish to vote for any resolution, tick in the box marked "For". If you wish to vote against any resolution, tick in the box marked "Against". If you wish to abstain from voting in respect of any resolution, tick in the box marked "Abstain", and your voting will be counted in the total number of votes cast in that resolution for the purpose of calculating the result of that resolution. Failure to tick any box will entitle your proxy to cast your vote at his/her discretion.
- Please note that, according to Article 121 of the Articles of Association of the Company, the method of cumulative voting will be adopted for the election of members of the Board (excluding independent non-executive Directors) and the independent non-executive Directors, respectively. Under this method, when two or more directors are being nominated for election, for any share held by the shareholders, they will have the same number of votes which equals to the total number of directors to be elected. Shareholders may cast all their votes on a particular candidate or on multiple candidates.
In this election, independent non-executive Directors and other members of the Board will be elected separately. To ensure that your voting right is adequately exercised, the explanation below is as an example to briefly explain matters that you should be aware of when completing the vote under the "cumulative voting system". Please refer to the following explanation on resolutions numbered 11 and 12 and fill in your intended votes:
 - For every share held by you, you will have the same number of voting rights which equals to the number of directors to be elected. For instance, if you are holding 1 million shares and 4 candidates will be elected at the general meeting, the aggregate number of votes which you will have will be 4 million (i.e. 1 million shares x 4 = 4 million voting shares).
 - Please fill in the sections entitled "For" and/or "Against" and/or "Abstain" with the number of votes you intend to cast on each candidate. Please note that you may cast your votes on every candidate provided that the total number of votes which you cast do not exceed the number of votes to which you are entitled; cast all your votes which represent the total number of shares held by you multiplied by the total number of directors to be elected on one candidate; or cast your votes which represent the total number of shares held by you multiplied by the total number of directors to be elected on certain candidates. For example, if you are holding 1 million shares, the number of your votes regarding the resolution numbered 11 is 4 million. You may choose to cast the 4 million votes equally amongst the 4 candidates (For or Against or Abstain), or to cast all your votes on a single candidate (For or Against or Abstain).
 - When the total votes, represented by the shares held by you multiplied by the number of directors to be elected, are used up after voting for some of the candidates, you will have no votes remaining to be cast on other candidates. i.e., the total number of all of your "For", "Against", and "Abstain" votes cast shall not exceed the aggregate number of votes to which you are entitled in respect of the relevant resolution.
 - Please note that when the total votes cast by you on some candidates exceeds the total votes to which you are entitled, all the votes cast will become invalid and be regarded as abstain votes; when the total votes cast by you for some candidates are less than the total votes to which you are entitled, the votes are valid and the remaining votes will be regarded as abstain votes. For example, if you are holding 1 million shares, the number of your votes regarding the resolution number 11 is 4 million: (a) if you fill in the "For" or "Against" or "Abstain" of "cumulative voting" under a particular candidate with "4 million shares", you have used up all the votes to which you are entitled, which results in you having no votes for the remaining candidates. Should you fill in the blanks in respect of any other candidates under the resolution number 11 with any number of shares (other than 0), all your votes on resolution number 11 will be invalid; or (b) if you fill in the "For" or "Against" or "Abstain" of "cumulative voting" under a candidate with "1 million shares" only, the 1 million of votes cast by you are valid and the remaining 3 million votes will be regarded as abstain votes.
 - Where the "For" votes cast for a particular candidate are more than half of the total number of shares held by all shareholders attending (before cumulation) and where the "For" votes exceed the "Against" votes, the candidate in question will be considered to have won the votes. If the number of candidates who have won the votes exceed the number of directors to be elected, the candidates who obtained more "For" votes should be elected (if some nominees who obtain relatively less "For" votes obtain the same number of "For" votes and election of them will result in the directors be elected exceeding the number of directors to be elected, such nominees will not be regarded as having won the votes). Where the elected directors at the shareholders general meeting are less than directors to be elected, new rounds of voting are required to be held for election of the remaining directors until the number of directors to be elected are fulfilled.
 - When a new round of director election is held pursuant to the (v) above, the calculation of cumulation of votes should be based on the number of directors to be elected during the round of election in question.
